

Outlaw, Jackal, Morenci, and Reserve MOAs - Preliminary Alternatives

For more information, please visit the project website at: www.ArizonaRegionalAirspaceEIS.com

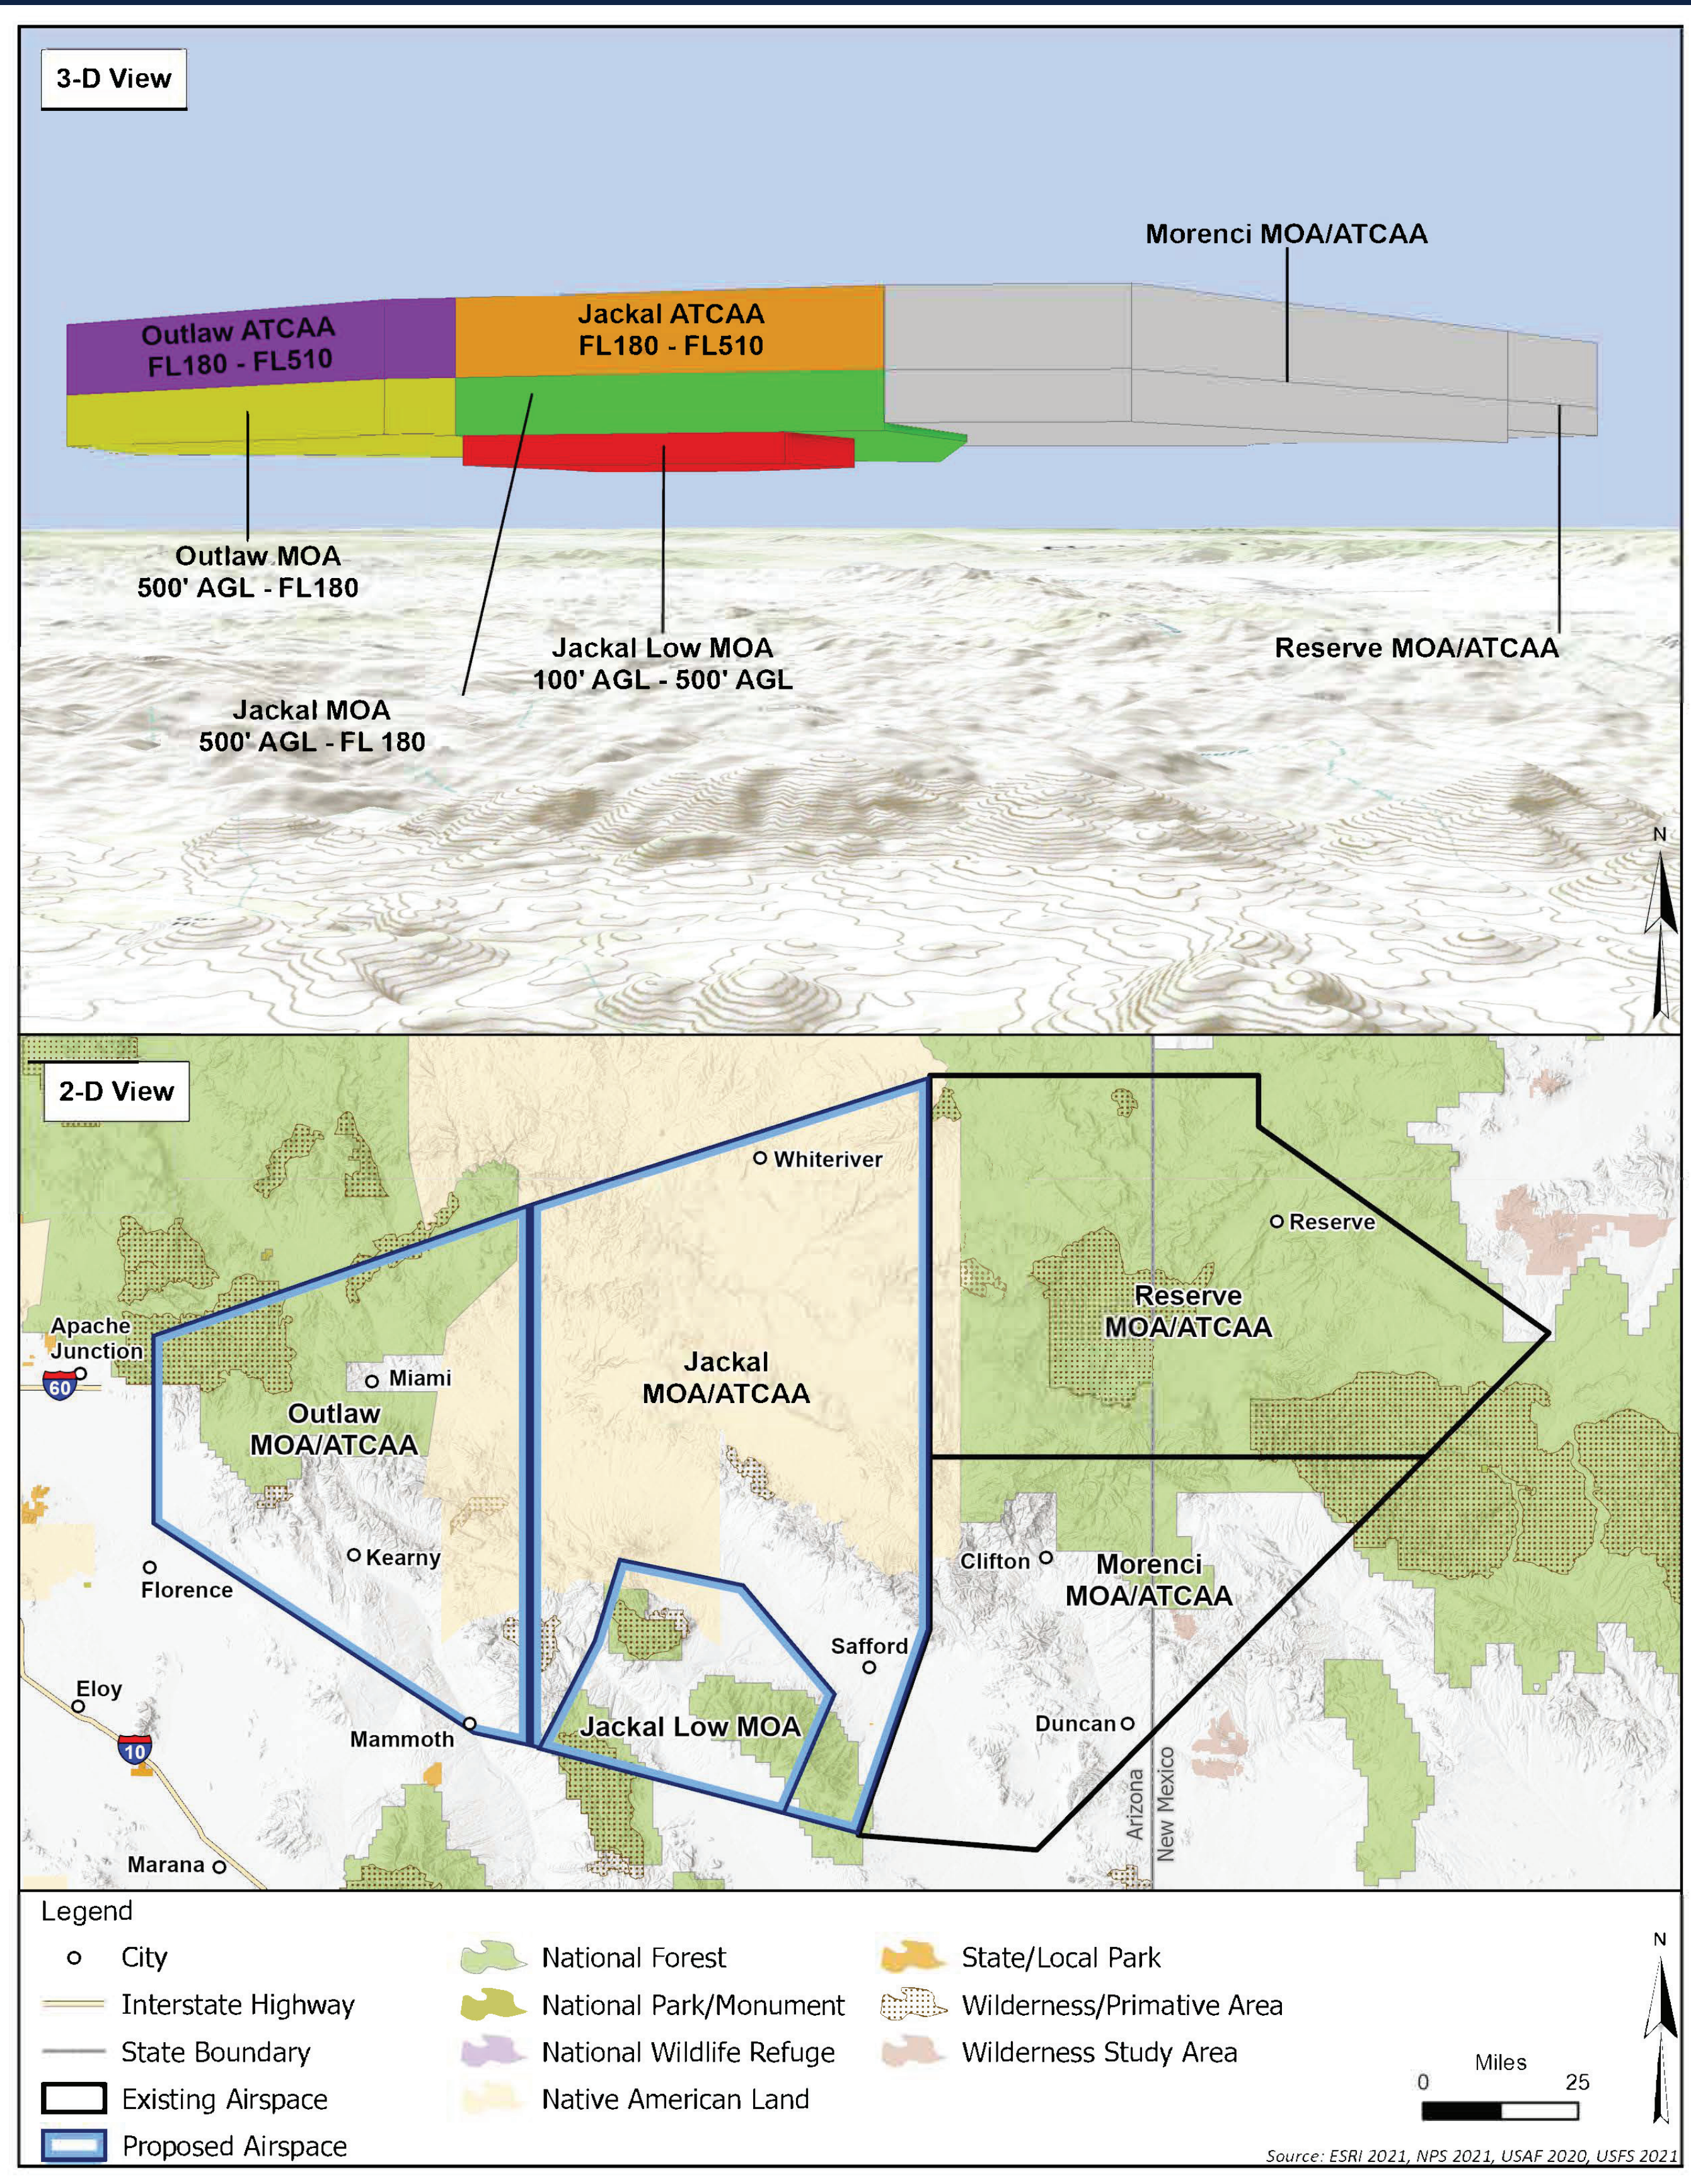

Alternative 1: No Action (Existing Use)

Currently, the MOAs are used as follows:

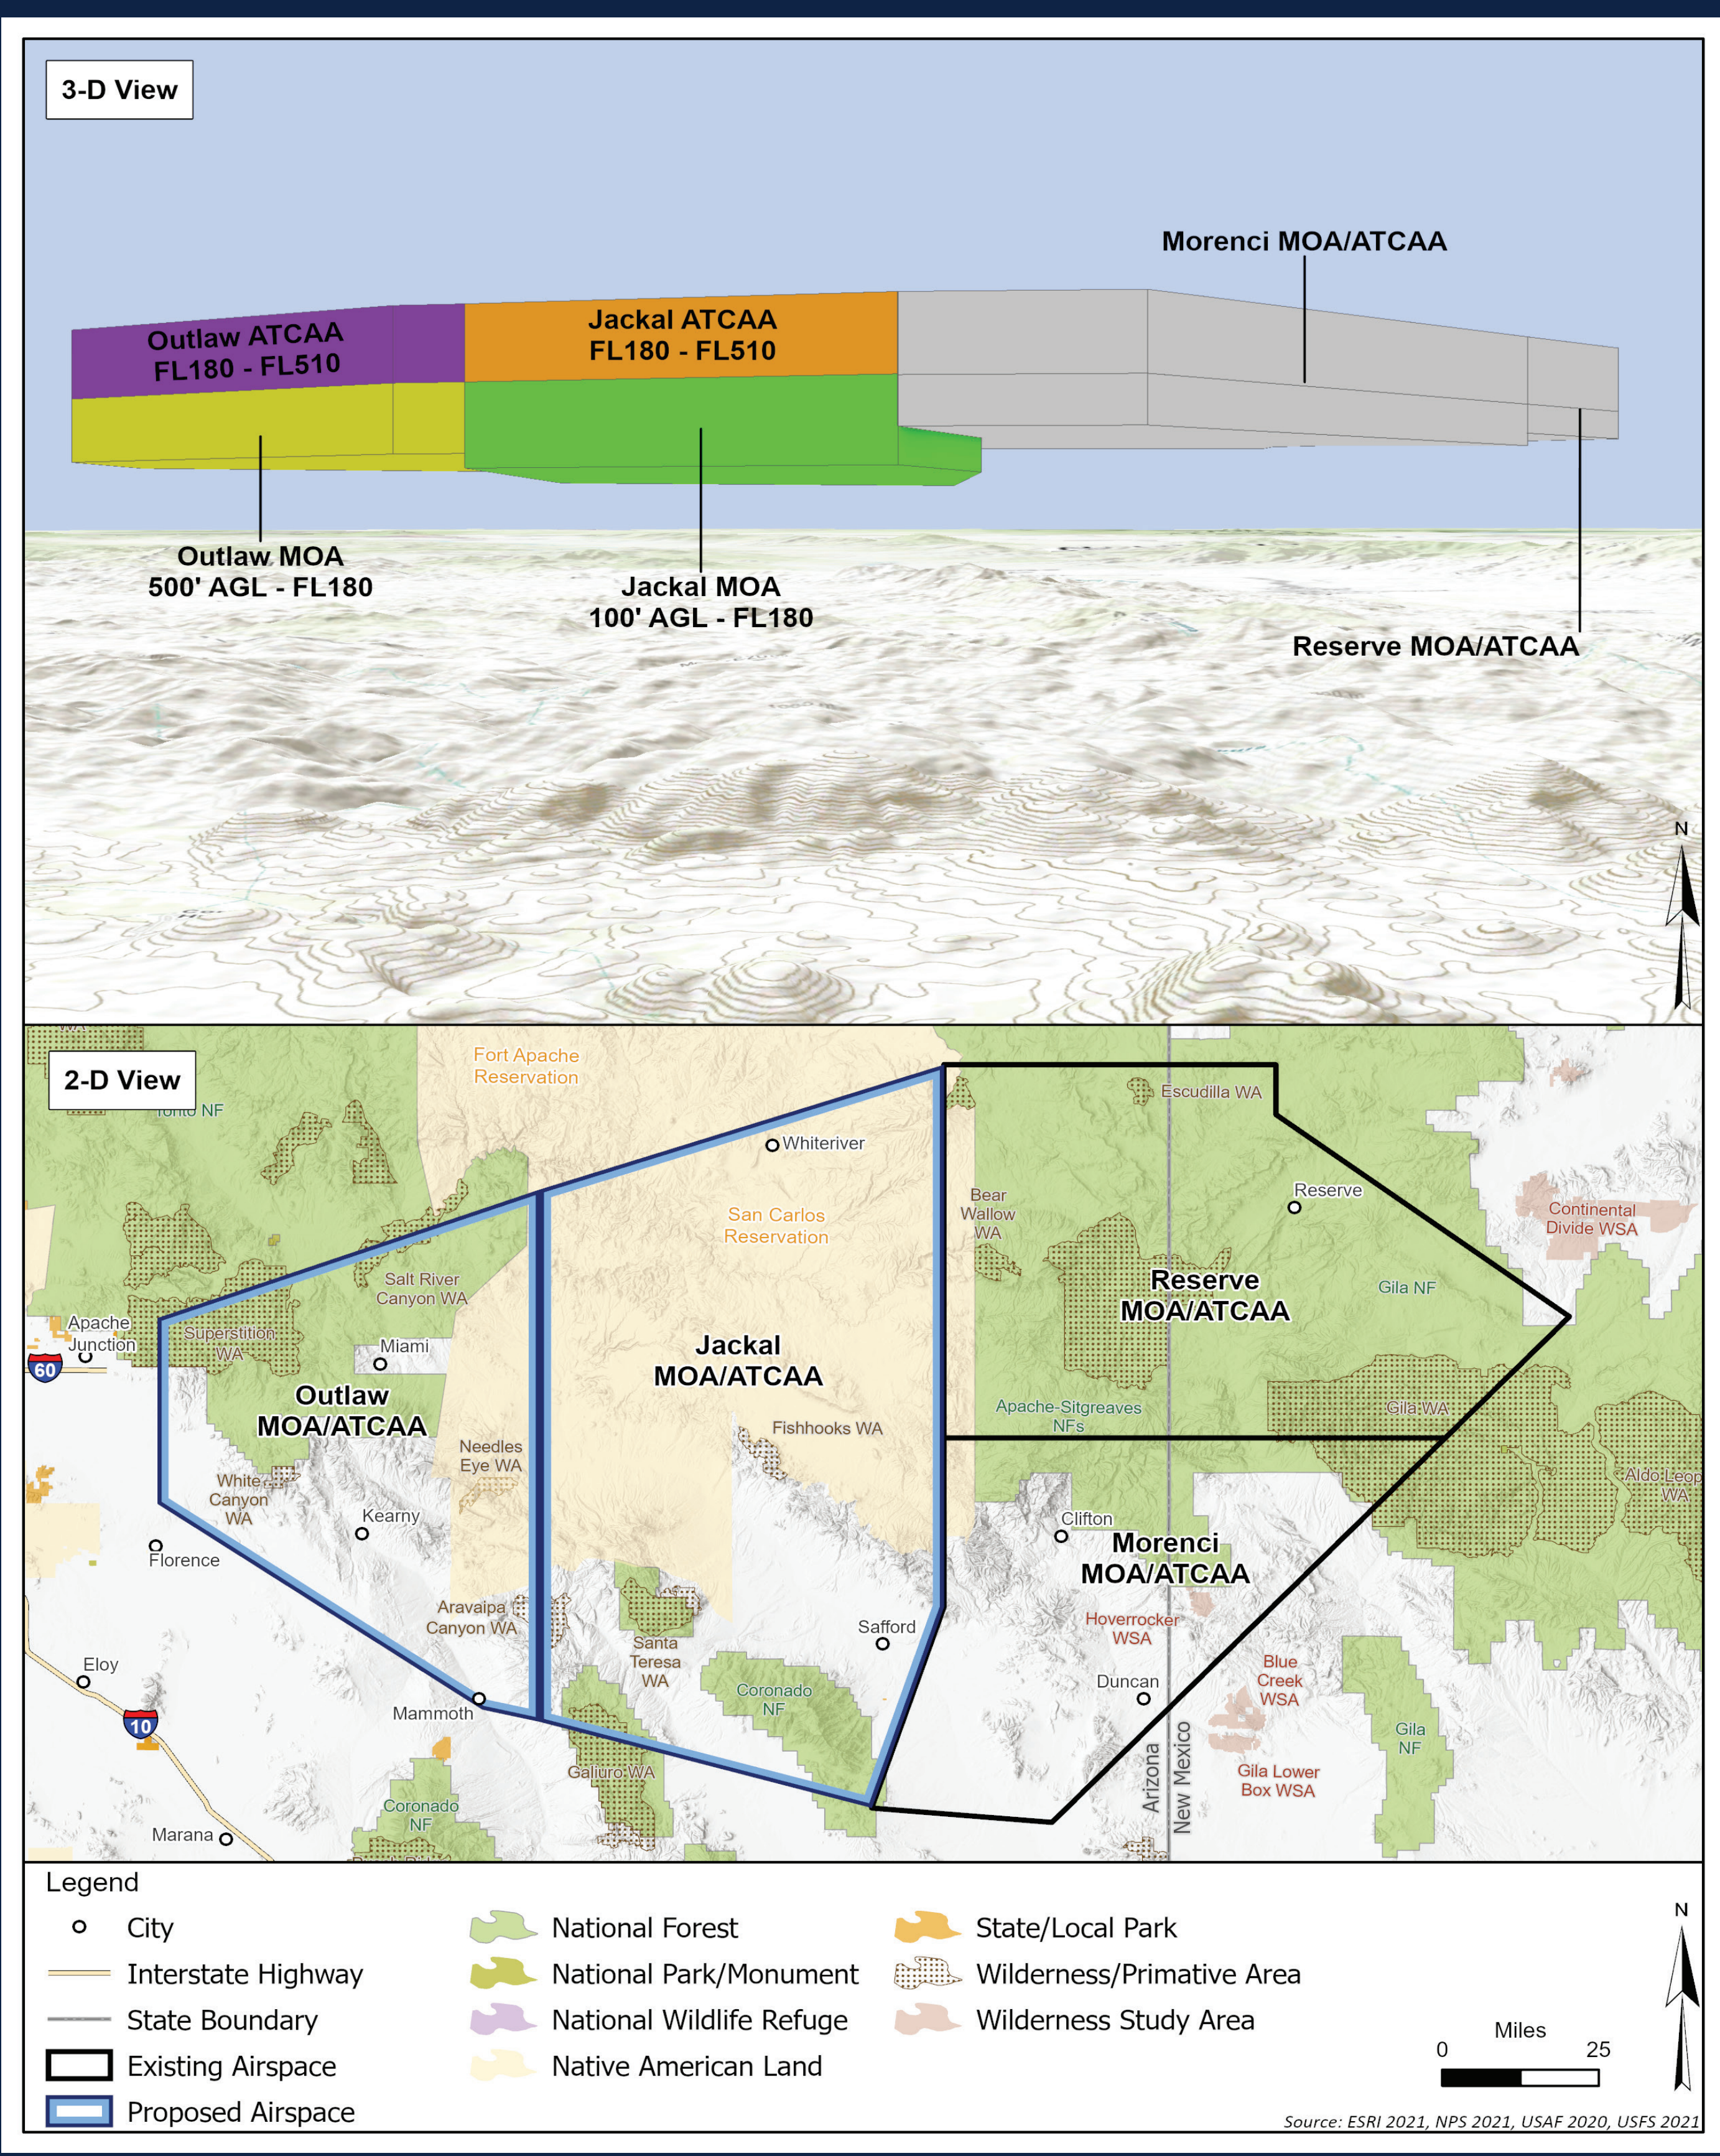

- Times of use:
 - Outlaw, Jackal: 0700 - 1800 Monday through Friday, 1800 - 2200 by Notice to Airmen (NOTAM), Intermittent weekends by NOTAM.
 - Morenci: 0600 - 2100 Monday through Friday, other times by NOTAM.
 - Reserve: By NOTAM
- Supersonic authorized above 30,000 feet MSL
- Chaff/Flares authorized:
 - Outlaw, Jackal - above 3,000 feet AGL
 - Morenci - above 2,000 feet AGL
 - Reserve - above 5,000 feet AGL

Alternative 2

- Proposed times of use for all: 0600 - 2200 Monday through Friday; other times by NOTAM
- Lower floor of Outlaw and Jackal to 500 feet AGL.
- Raise ceiling of Outlaw and Jackal ATCAAs to FL510
- No horizontal or vertical changes to Morenci or Reserve
- Authorize supersonic above 5,000 feet AGL instead of 30,000 feet MSL.
- Authorize flares above 2,000 feet AGL in Outlaw and Jackal instead of 3,000 feet AGL

Alternative 3

- Same as Alternative 2, except the floor of Jackal would be lowered to 100 feet AGL instead of 500 feet AGL.

Alternative 4

- Same as Alternative 2, except authorize supersonic above 10,000 feet AGL instead of 5,000 feet AGL
