

HOW CAN I BE INVOLVED?

Your Participation

Your involvement and feedback helps the Air Force make an informed decision. Please review the Draft EIS and provide your comments.

- Make your comments on the Draft EIS specific.
- Review the environmental analysis for technical adequacy.
- Submit your comments by the Draft EIS public comment period deadline.

The Air Force is conducting required public involvement for NHPA Section 106 consultation for the potential effects on historic properties concurrent with the NEPA process.

Participate Today

How to provide comments:

- Provide oral or written comments during the public hearing
- Enter comments electronically via the project website: www.ArizonaRegionalAirspaceEIS.com
- Mail written comments to:
Arizona Regional Airspace EIS
c/o Stantec
501 Butler Farm Road, Suite H
Hampton, VA 23666

Please provide comments by **October 9, 2024** to ensure their consideration in the Final EIS

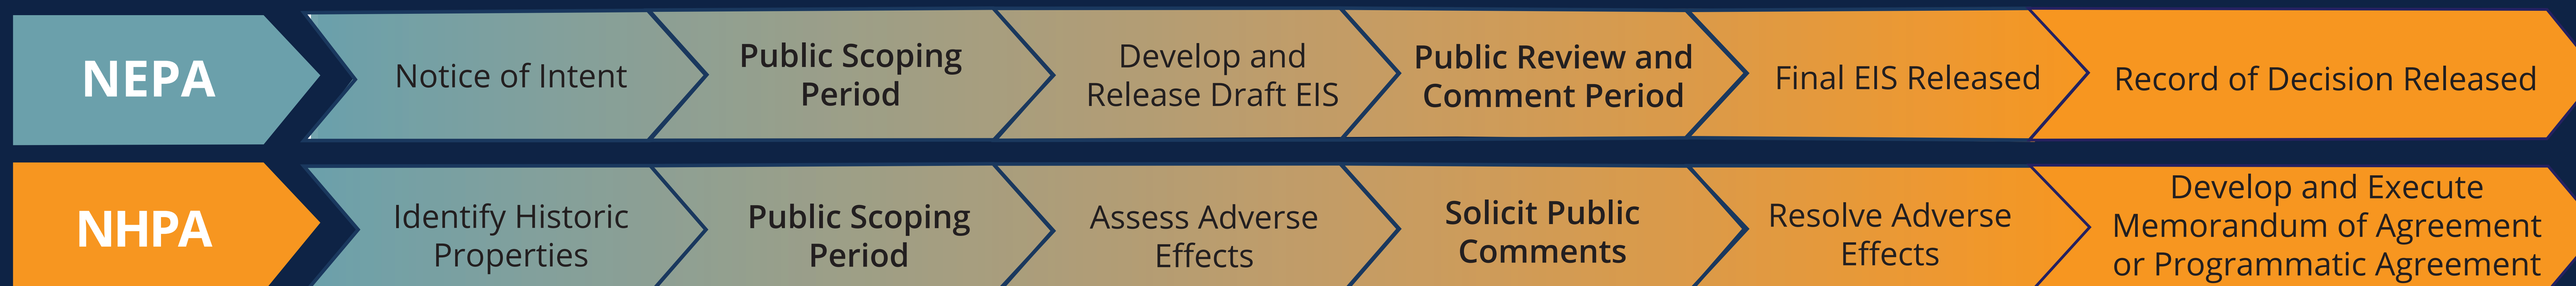

Participate in the Future

Your comments today will be addressed in the Final EIS. A copy of the Final EIS and the Record of Decision will be available on the website.

Check the website for updates at:
